The “WEE” Place Program

Children will be provided with “TLC”, pictures, music, educational toys, conversation, books, and all that is needed in a room with kind and loving teachers. A mid-morning snack will be served. Learning experiences will be planned with each child’s age and maturity in mind. It is a “readiness time” for them with activities planned that will be directed to meet the physical, social, mental, emotional, and spiritual needs of children.

Goals for the different age groups are as follows:

- 1’s: Develop fine and gross motor skills, increase vocabulary and develop social skills. Introduce 4 basic colors and counting.
- 2’s: Review shapes and colors. Further develop fine and gross motor skills. Expose child to numbers 0-10.
- 3’s: Begin developing pencil and scissors skills, expose child to the alphabet and numbers 10-20, begin writing name.

4’s: Introduce letters and letter sounds, numbers 0-20, practice writing name, kindergarten readiness skills are stressed.

All classes will reinforce skills taught in previous years. Bible, music and physical education will also be taught each week.

What to bring

- * Sack lunch with drink. Please try to bring food they can manage with minimal help. Children in the 18 month class will have help at lunch time.
- * Extra diapers, wipes and changes of clothing for your child in case of accidents.

PLEASE make sure everything you bring is clearly marked!

Illness

For the protection of your child and other children, any child who appears ill cannot be accepted in a classroom. Children who become ill during the day will be removed to the director’s office and the parents will be contacted. Teachers will not give any medication to a any child without written consent.
